

Quicken for Windows Conversion Instructions

Quicken for Windows 2013–2016

Web Connect to Direct Connect

Introduction

As your bank completes its system upgrade, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your [User ID](#) and [Password](#) for the eBanking website.

NOTE: Direct Connect may require registration. Please contact your bank to verify your Direct Connect login information.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for *Backing Up Your Data* and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for *Update Software* and follow the instructions.
